

## Privacy policy

YASURAGI recognizes the importance of personal information and implements the following measures.

1. Management of Personal Information YASURAGI (hereinafter referred to as "the Company") believes that it is the Company's social responsibility to appropriately protect information related to individual customers (hereinafter referred to as "personal information"), and the Company manages such information appropriately.

2. When acquiring personal information from customers, YASURAGI specifies the purpose of use as much as possible, and clearly indicates the contact point for customers in advance, and acquires personal information to the extent necessary.

3. YASURAGI appropriately manages personal information obtained from customers and does not provide or disclose such information to third parties other than YASURAGI's subcontractors, business partners, and successors to YASURAGI's related businesses, except when there is a legitimate reason to do so.

4. YASURAGI obliges its subcontractors and business partners to whom YASURAGI provides personal information based on customers' consent not to leak or provide customers' personal information to third parties, and manages such information appropriately.

5. YASURAGI may send or send information on its services or the products and services of its business partners that may be of interest to customers by e-mail, postal mail, mail delivery, or other means, or may call customers. The customer may request the Company to cease or resume the handling of Personal Information.

6. If you wish to inquire about or correct your personal information, please contact our contact person, and we will respond to your request as soon as reasonably possible.

7. Compliance with Laws and Regulations We will comply with all laws and regulations applicable to personal information held by us, and will review and improve our efforts in the above items as appropriate.

8. For inquiries regarding our handling of personal information, please contact us at the following telephone number: 080-2518-4903
